Note 1 - Summary of Significant Accounting Policies

Business Organization and Description

Petsky Prunier Securities, LLC (the "Company") was formed on July 15, 2005 under the laws of the State of New York. The Company was formed as a registered broker dealer. The agreement was amended effective September 1, 2014, whereas the former members contributed 100% of their interest, and is now owned by Petsky Prunier, LLC, the sole member of the Company. The Company does not carry customer accounts and does not process or safe-keep customer funds or securities and is therefore exempt from Rule 15c3-3 of the Securities and Exchange Commission. The Company is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA).

The Company is an investment bank focused on the advertising, marketing and digital media industries. Investment banking revenues include fees earned from providing merger-and-acquisition and financial restructuring advisory services. Investment banking management fees are recorded on offering date, sales concessions on settlement date, and underwriting fees at the time the underwriting is completed and the income is reasonably determinable.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments purchased with an original maturities of three months or less to be cash equivalents. At December 31, 2015, the Company was \$1,330,038 in excess of the Federal Deposit Insurance Corporation limit.

Fair Value of Financial Instruments

The carrying amounts of the Company's cash, accounts payable and accrued expenses approximate their respective fair values at December 31, 2015.

Revenue Recognition

Revenue is recognized when security deals are closed, securities are exchanged and all elements of contractual fulfillment are met.

Income Taxes

The Company, a limited liability company, includes its operations in the federal and state tax returns of its sole member. Accordingly, no provision has been made in the accompanying financial statements for federal and state income taxes as its member is responsible for the taxable income. The calculation of the income tax provision is determined under a Company policy which provides that current taxes are calculated on a separate return basis pursuant to a tax sharing agreement.

Income Taxes (continued)

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, Income Taxes. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax provisions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

As of December 31, 2015, the Company did not have any unrecognized tax benefits or liabilities. The Company is no longer subject to tax examinations for years previous to the three year statute of limitations and there are presently no ongoing tax examinations.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Changes in such estimates may affect amounts reported in future periods.

Subsequent Events

The Company evaluates events occurring after the date of the financial statements to consider whether or not the impact of such events needs to be reflected or disclosed in the financial statements. Such evaluation is performed through the date the financial statements are issued, which is February 11, 2016 for these financial statements.

Note 2 - Related Party Transactions

The Company has a management fee agreement with its sole member which the Company paid \$150,365 per month for the period January through June and \$177,436 for the period July through December 2015 for a variety of management services. Note 3 - Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (15c3-1), which requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15:1. The rule also provides that capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10:1. At December 31, 2015, the Company had net capital of \$1,517,915, which was \$1,512,915 in excess of its required net capital of \$5,000. The Company's ratio of Aggregate Indebtedness to Net Capital was 0.03 to 1.

Note 4 - Exemption

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934, in that the Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k)(2)(i) of the Rule.

Note 5 - Office and Administrative Services Agreement

The Company amended its Office and Administrative Services Agreement ("Agreement") with its sole member, Petsky Prunier LLC ("PPLLC"), effective January 1, 2015. The Agreement requires management to allocate labor costs and certain general and administrative expenses based on the allocation methodology described in the Agreement.

The Agreement states that the Company shall reimburse PPLLC for labor costs that are directly related to the production of revenues by the Company. Labor costs are comprised of commissions, salaries and bonuses paid to employees and associates of PPLLC. Commissions and bonuses are directly related to Company transactions and are reimbursed to PPLLC after the closing of each transaction. Management applies the allocation methodology, as defined in the Agreement, to match the associated salary costs with the revenues generated.

The Agreement states that PPLLC shall provide administrative support services, as defined, to the Company to facilitate the operations of its business. Management estimates a monthly management or service fee to be reimbursed by the Company. This amount is based on management's analysis of historical overhead costs.

The allocable costs of the administrative support provided by PPLLC are reimbursed through a monthly incremental allocation services fee, as defined in the Agreement, which is billed and paid monthly by Petsky Prunier Securities, LLC. Modifications to the service fee may be made by management periodically to adjust for unexpected costs or in anticipation of future expenditures.
